RE: Report of Investigations  
Ponce Center for Environmental Control  
Co-Disposal Area

*9C2  
corrective action order  
status report*

Mr. LaDue:

Recra Research, Inc. is pleased to submit the attached Report of Investigations for the co-disposal area at the above referenced facility. The report presents data and interpretations based on these data for investigations which have been performed within the co-disposal area. The contents of this report should fulfill the existing consent order requirements (Consent Order Decree - Docket No. II RCRA-82-0301).

Please contact the undersigned with regards to questions you may have concerning the contents of this report.

Sincerely,

RECRA RESEARCH, INC.
